HOSTING BEVERAGE

For bar options and estimates, we can work with you to customize the best option. Our beverages are billed on consumption, eliminating the guess work of estimating how much your guests will consume..

- Selecting specific items, for wine by the bottle or glass, beer bottles + tap, as well as our liquor selection are broken into price tiers easily allowing you to host cocktails/spirits and keep your budget in mind.
- Beverage limitations can be designated for selection and/or quantity.
- The bar is fully stocked regardless of hosted items and all non-hosted items will be available for guest purchase.
