LIQUOR TIERS + PRICING

At PUBLIC kitchen + bar, our hosted liquor pricing is categorized by tiers, making it simple for you to offer your guests a selection of beverages without breaking your budget. Select tier that best fits your budget, and your guests will be offered beverages from that tier and any lesser tiers. For example, if you select Tier 3, your guests will be offered spirits from Tiers 3, 2, and 1. Please note that liquor tier pricing does not include any specialty mixers or modifiers (i.e. Red Bull, martini preparation, long pours) and any modifiers will be billed upon consumption.
